HAM-430.14	Supreme Ball-Pein Hammer - 4oz.	9 3/4"

 **Flatten FORM Shape**

EURO TOOL's BALL-PEIN HAMMERS are made of drop forged steel, mounted on hardwood handles and secured with a metal wedge.

DID YOU KNOW? Stones attached to sticks with strips of leather or animal sinew were being used as hammers by about 30,000 BCE during the middle of the Paleolithic Stone Age. Its archeological record means it is perhaps the oldest human tool known.

—Journal of Human Evolution Vol.45

Stock	Description	Length
HAM-430.08	Ball-Pein Hammer - 8oz.	11 3/8"
HAM-431.00	Ball-Pein Hammer - 4oz.	9"
