*Where the **Magic** Begins...  
**Fun** Never Ends*

It's not exactly magic, but it is certainly "magical" and fun. The possibilities are endless with this precision-made, case-hardened steel **NINE SHAPE DISC CUTTER**. Best for use with a maximum of 18 gauge metal, punches have a sharp cutting end and a beveled end for striking. Each of the nine shapes measure approximately 1/2" – 5/8".
