*One extra
nylon jaw
included!*

PLR-861.00

PLR-862.00

PLR-863.00

PARALLEL PLIERS

Specialized shaped jaws for bending with parallel action make these pliers a great combination. New shapes include: Round/Flat Nylon, Round/Concave, Half-Round/Concave. These parallel pliers are excellent quality at an affordable price. Heads and jaws are made of high-grade tool steel for years of use. Compound design keeps pliers parallel for even and secure pressure during use.

Stock #	Description	List
PLR-861.00	Round/Flat Nylon	\$19.95
PLR-862.00	Round/Concave	18.95
