## Versatile Rotating Square Platform for Soldering

— Available with or without a 6" x 6" Hard Solderite™ Board —

Platform rotates 360°

- Rotating square soldering platform sold with or without 6" x 6" Hard Solderite™ Board.
- 360° rotation on a smooth swivel base allows access to work from any angle.
- Measures: 6-1/8" x 6-1/8" x 1-5/8".
- Remove Solderite™ Board and replace with one or even two charcoal or magnesia blocks!
- Add a Third Hand Clamp for a hands-free option.

Also fits with these soldering blocks!

Charcoal

Magnesia

Rotating Soldering Platform is very versatile!

Add a third hand clamp!
