## Silver Solder Paste Just Got Extra Easy!

**Cadmium  
Free!**

We now have **Extra Easy Silver Solder Paste SS56**! Solder pastes allow for precise application when used in soldering rope chain, hollow shells, findings, earring posts and other intricate jewelry designs. Each of our 1/4 troy ounce size solder pastes contain a blend of solder powder, flux and binder. Exact amount required can be used eliminating waste and improving the appearance of the joint area. Silver solders are cadmium free.
