LARGER SIZE By Popular Demand!

Introducing the Compact Torch from Gentec!

Don't let the name fool you—this is the perfect step-up in size from The Small Torch! This Oxy - Acetylene/Propane/MAPP® torch has chrome-plated housing caps with durable aluminum adjustment knobs for smooth "easy-touch" pressure setting.

Features:

- Flexible, durable 12' hoses with "B" connections and included "A" connection adapters
- Four tips with leak-resistant, double O-ring attachments
- Aluminum adjustment knobs for smooth "easy-touch" pressure setting
- Bigger tips, hotter flame, faster melting

| Stock # | Description | PRICE |
|------------|--|----------|
| SOL-245.00 | COMPACT TORCH KIT W/4 TIPS, ACET/PROP/MAPP | \$179.95 |
