EURO TOOL – Your Source for Success®

Wubbers® and Parallel Pliers Unite as One!

Engineered For Maximum Leverage.

Endless Opportunities With Multiple Sizes And Shapes Available.

Features:

- Greater versatility in regard to shapes and sizes.
- Adjustment screw holds the width consistent between jaws.
- Parallel action jaws allow for smooth, uniform grip.
- A vice-like, powerful grip.
- Increased leverage.
- Even pressure on metal reduces marring.
- Easy manipulation of strip and sheet metal.
- Make multiples of the same-shape, same-size components with no measuring.
